## Travel information

Dear Madam, dear Sir,

**It is with great pleasure we welcome you in Knokke. We are delighted to have you in our clinic as our guest, and we shall do our outmost effort to make your stay in Knokke enjoyable.**

**Upon your arrival in Brussels Airport (Zaventem), there are two ways to travel to Knokke:**

### By Train

Brussels Airport has its own railway station (BRUXELLES-NAT-AIRPORT).

Trains to Knokke can be taken, have also a direct connection, but with train it takes about 2 hours to reach the coast.

For detailed information and ticket fares, visit <https://www.belgiantrain.be/en>

Upon arrival in Knokke we advise to take a taxi to your destination (Hotel, B & B or hospital). Taxis are waiting at the main exit on your right. As well the Reserve Hotel and the AZ ZENO hospital are just a couple of minutes away.

### By Taxi

Upon request, we can arrange a pickup at the airport (taxi-limousine) that brings you directly to your destination in Knokke. Do not take a local taxi, they are expensive and are not used to drive to Knokke. We have a contract rate with H&S DRIVE LIMO Company : 185€ (from Brussels Zaventem to Knokke) including 30 minutes of waiting time.

**Please pay this amount upon arrival by cash or credit card to the cab driver, it is not included in the price for the surgery.**

You can contact H&S DRIVE LIMO by email [info@hsdrivelimo.be](mailto:info@hsdrivelimo.be)

The driver will be waiting for you at the arrival hall, carrying a sign with your name on it. In case you need to inform H&S DRIVE LIMO regarding flight delay, please contact H&S DRIVE LIMO at: Phone: [+32 \(0\)499910375](tel:+3220499910375) Email: [info@hsdrivelimo.be](mailto:info@hsdrivelimo.be)
